

## PRODUCT DESCRIPTION

PURELY's Argan Oil, also known as Moroccan oil, is organically produced from the kernels of the Argan tree. Rich in vitamin E and fatty acids, Argan Oil is gaining popularity as a "miracle ingredient" in the beauty industry. The unique combination of antioxidant and moisturizing properties can help prevent moisture loss and improve elasticity to reverse the signs of aging. Using one to two drops a day will nourish your skin and hair throughout the day.

## PRIMARY BENEFITS AND SAMPLE USES

- » Rich in antioxidants
- » Balances skin's natural oil production
- » Reduces signs of aging
- » Stimulates circulation
- » Helps strengthen the body's natural immunity
- » Can be used as a full body moisturizer

## DIRECTIONS

Apply a thin layer to skin in the morning and evening. For normal, dry or dehydrated skin.

## PRECAUTION

Discontinue use if irritation occurs. Avoid contact with eyes. If contact occurs, rinse immediately with water. For external use only.

Argan Oil is derived from the tree nuts of *Argania spinosa*, a desert tree native to Morocco. This makes it similar to almonds, cashews, macadamia nuts, pecans, pine nuts, walnuts, and other tree nuts. If you are allergic to tree nuts, please avoid using Argan Oil or schedule an appointment with your allergist to determine your reaction to it.
