

PRODUCT DESCRIPTION

There are lots of harmful environmental toxins that you can be exposed to throughout a normal, daily routine. From car exhaust on the walk to work, to cleaning solutions used in the office, and even trace amounts in the food you eat - our bodies are constantly being bombarded by new and unusual substances.

Help relieve the build up of these harmful environmental toxins on your skin and inside your body with a bath in PURELY's Detox bath soak.

This combination of Dead Sea salt crystals, Hawaiian Black Lava salt crystals and PURELY essential oils helps flush out the pores in your skin while keeping it moisturized and revitalized. Improve your skin's ability to defend itself with the mineral rich properties of these natural salt crystals.
