

PRODUCT DESCRIPTION

Treat your skin to a spa experience at home with our Eucalyptus Mint Dead Sea Salt Scrub. Made with mineral-rich Dead Sea salt crystals, this scrub helps exfoliate skin to reveal softer, smoother layers below. It helps remove toxins along with dead skin cells so your new skin stays healthy longer.

Formulated with avocado and almond oils, your skin will feel nourished and rejuvenated. Combined with our Simply PURE™ essential oils, you get the added benefits of *Eucalyptus globulus* and *Mentha piperita*. Both Eucalyptus and Peppermint feature a cooling effect that feels great on the skin and helps soothe irritations. The powerful natural chemical compounds in these oils are great for relaxing aching muscles and support general respiratory well-being with their vibrant, fresh aroma.

PRIMARY BENEFITS

- » Exfoliates and hydrates skin
- » Stimulates the generation of healthy new skin cells
- » Increases blood and lymph circulation
- » Improves the complexion and texture of your skin
- » Gently soothes away the tension
- » Relaxes weary, aching muscles
- » Supports general respiratory well-being
- » Boosts mental clarity

DIRECTIONS

Before using, stir to mix salts and oils completely. Scoop out about a teaspoon for each area that needs attention. Scrub with gentle pressure and a light rubbing motion to exfoliate dry skin. Rinse off excess scrub and pat dry with a soft towel.

PRECAUTION

Keep out of reach of children. For external use only. For all skin types. Please exfoliate responsibly. Over exfoliation can damage your skin.
