

PRODUCT DESCRIPTION

The Sinopec Detox is an essential oil protocol with a systematic approach to healthy weight loss. The Sinopec Detox helps to release stored petrochemicals in body fat, effectively reduce the size of fat cells, eliminate cellulite, support the healthy levels of estrogen to avoid estrogen domination, improve healthy insulin sensitivity, and attack stubborn fat cells.

Originally an essential oil blend, we have made it even quicker to lose inches by formulating Sinopec Rubs. These prediluted salves make it simple and easy to apply Sinopec to problem areas and start seeing results. Sinopec #1 is the first step in the process of breaking down stubborn fat and eliminating synthetic chemicals built up in the body.

PRIMARY BENEFITS

- » Helps the process of breaking down and eliminating petrochemicals from stubborn body fat

DIRECTIONS

Apply liberally and massage well into midsection or other areas you would like to address. To enhance results, you can wrap comfortably with BPA-free plastic wrap and wear at least 45 minutes.

PRECAUTION

Keep out of reach of children. Do not apply over open wounds, cuts or infected areas. Discontinue use if irritation occurs. Avoid sun and UV exposure for at least 12 hours after applications. For external use only.

INGREDIENTS

Cocos nucifera (Coconut Butter), *Prunus dulcis* (Almond Oil), *Cera alba* (Beeswax), *Citrus sinensis* (Wild Orange), *Citrus limon* (Lemon), *Citrus aurantifolia* (Lime), *Citrus paradisi* (Grapefruit), *Citrus reticulata* (Tangerine), *Citrus bergamia* (Bergamot), *Ledum groenlandicum* (Ledum), *Citrus nobilis* (Mandarin)

SKU# 6121

PRODUCT DESCRIPTION

The Sinopec Detox is an essential oil protocol with a systematic approach to healthy weight loss. The Sinopec Detox helps to release stored petrochemicals in body fat, effectively reduce the size of fat cells, eliminate cellulite, support the healthy levels of estrogen to avoid estrogen domination, improve healthy insulin sensitivity, and attack stubborn fat cells.

Originally an essential oil blend, we have made it even quicker to lose inches by formulating Sinopec Rubs. These prediluted salves make it simple and easy to apply Sinopec to problem areas and start seeing results. Sinopec #2 continues the process of removing synthetic chemicals and stubborn fat by increasing the body's metabolism allowing more toxins to be processed and excreted from the body. Sweat the yuck out!

PRIMARY BENEFITS

- » Increases blood flow and mobilizes stubborn fat cells

DIRECTIONS

Apply liberally and massage well into midsection or other areas you would like to address. To enhance results, you can wrap comfortably with BPA-free plastic wrap and wear at least 45 minutes.

PRECAUTION

Keep out of reach of children. Do not apply over open wounds, cuts or infected areas. Discontinue use if irritation occurs. Avoid sun and UV exposure for at least 12 hours after applications. For external use only.

PRODUCT DESCRIPTION

The Sinopec Detox is an essential oil protocol with a systematic approach to healthy weight loss. The Sinopec Detox helps to release stored petrochemicals in body fat, effectively reduce the size of fat cells, eliminate cellulite, support the healthy levels of estrogen to avoid estrogen domination, improve healthy insulin sensitivity, and attack stubborn fat cells.

Combining two of our most popular essential oil blends - Slenderize™ and Depure8™ - we have made it even quicker to lose inches by formulating a new Sinopec #3™ Rub. This prediluted salve makes it simple and easy to apply the Sinopec Detox directly to problem areas and start seeing results. Sinopec #3™ is the final step in the process and helps maintain the body's efficiency so it operates at peak performance.

PRIMARY BENEFITS

- » Boosts optimal metabolism and functioning of the circulatory system
- » Boosts functioning of endocrine glands
- » Stimulates loss of water and salts in the body

DIRECTIONS

Apply liberally and massage well into midsection or other areas you would like to address. To enhance results, you can wrap comfortably with BPA-free plastic wrap and wear at least 45 minutes.

PRECAUTION

Keep out of reach of children. Do not apply over open wounds, cuts or infected areas. Discontinue use if irritation occurs. Avoid sun and UV exposure for at least 12 hours after applications. For external use only.
